To all Friends of Liberty

Mike Kemp, an activist in the liberty movement will be sentenced on Nov. 25, for possession of marijuana. Mike is an insulin dependent diabetic, making any prison time constitute a death sentence for him.

*YOU* can help!

Please write a polite letter to the judge in this case asking for him to show mercy to Mike by either granting a probationary sentence or home confinement. None of us will stand to gain anything if Mike loses his life. Most of all, the liberty movement will suffer immeasurably.

Send your letters to:  
The Hon. Donald Stewart  
800 Forrest Ave.  
Gadsden, AL 35901

A candle light vigil for Mike is being planned for the night before the sentencing in front of the courthouse. It is imperative that we have a packed courthouse when sentencing takes place. You will receive info regarding time and place when I have all the details.

Remember, this can happen to any of us.

In the words of Benjamin Franklin: *We must all hang together or we will surely hang alone.*

Please feel free to call me at 804-369-5541 if you have questions. Mike is also in need of an attorney to represent him at sentencing (preferably residing in AL). If you know of anyone willing to do the job please let me know. See you all on the 25<sup>th</sup>.
